

# SHARAN UTHAYAKUMAR

## UNDERGRADUATE AT SLIIT

I am a third Year undergraduate student at SLIIT with robust problem-solving skills. Over the course of my studies, I have developed strong leadership skills, enjoy collaboration and teamwork and have good communication skills. I'm interested in learning more about new technology. In addition, I am the type of a person who would never pass up even a minor opportunity. As a result, whenever I get the opportunity, I will take advantage of it, and I will learn from my failures in order to improve my future successes.
